³ Three cellular transfer applications for Chicago SMSA Limited Partnership (ULS File No. 0000015697), Illinois RSA 6 and 7 Limited Partnership (ULS File No. 0000015570), and Illinois SMSA Limited Partnership (ULS File No. 0000015565) are listed in ULS as "consented to" even though they were withdrawn by an amendment filed on May 3, 1999. A fourth application for CyberTel Cellular Telephone Company (ULS File No. 0000015564) is listed as "inactive" even though it also was withdrawn by this same amendment.

⁴ Formerly known as "CyberTel Minneapolis Paging Corporation."

⁵ Pursuant to amendments filed on May 3, 1999 and August 4, 1999 and to a pro forma assignment notification filed on July 20, 1999 (ULS File No. 0000016881), the licensee's name was changed from CyberTel RSA Cellular, L.P. to Ameritech Mobile Communications, Inc. However, this name change was not reflected in the relevant transfer application when it was entered into ULS last summer. See ULS File No. 0000015562.

⁶ Formerly known as "CyberTel St. Louis Paging Corporation."

⁷ Pursuant to a filing made on September 3, 1999, see ULS File No. 0000022542, call sign KNKN201 was assigned pro forma from CyberTel Corporation to Ameritech Wireless Holdings, Inc., and the transfer application covering CyberTel Corporation was amended to substitute Ameritech Wireless Holdings, Inc. as the licensee. However, these changes are not reflected in the relevant transfer of control application as it exists in ULS as of this morning. See ULS File No. 0000015563.

Waiver Request

Under the Commission's rules, the Parts 22, 24, and 101 notifications of consummation should have been filed electronically on the Universal Licensing System ("ULS").¹⁰ Due to the magnitude of the merger and the transition to ULS that occurred while the transfer applications were pending, the processing of the transfer applications has not yet been completed. We have attempted to file notifications of consummation for the transfer applications on ULS that have "consented to" status. However, we were unable to generate a print preview that reflected the data we entered for the notification. When we called ULS Tech Support, we were informed that the transfer applications are all linked, so no notification of consummation may be filed on ULS for any transfer application until all the transfer applications appear as "consented to" in ULS. In order to comply with the requirement that notifications of consummation be filed within 30 days of the consummation,¹¹ SBC must file these notifications today.

SBC will continue to attempt to file the notifications on ULS. However, since it apparently cannot do so until the final processing issues are resolved, SBC respectfully requests a waiver of the requirement in sections 1.913(b) and 1.948(d) of the Commission's Rules¹² that it file these notifications of consummation electronically on

¹⁰ The relevant ULS file numbers are 0000001588, 0000001731, 0000001768, 0000015556, 0000015562, 0000015563, 0000015566, 0000015568, 0000015702, 0000017470, 0000017472, 0000017473, 911522, 9713671, 9713672, 9713674, 9713675, 9713678, 9713679, 9713680, 9713681, 9713682, and 9713683.

¹¹ See *Wireless Telecommunications Bureau Revises Procedure for Filing Consummation Notifications Electronically via the Universal Licensing System*, Public Notice, DA 99-1436, at 1 (July 21, 1999).

Forms 603.¹³ Section 1.925(b)(3) permits the Commission to grant a waiver request if the applicant meets either of two tests:

(i) The underlying purpose of the rule(s) would not be served or would be frustrated by application to the instant case, and that a grant of the requested waiver would be in the public interest; or

(ii) In view of unique or unusual factual circumstances of the instant case, application of the rule(s) would be inequitable, unduly burdensome or contrary to the public interest, or the applicant has no reasonable alternative.¹⁴

SBC's request meets both these tests. First, by making this filing in the only way possible, SBC is fulfilling the underlying purpose of the requirement that it notify the Commission within 30 days of consummating the transfer of control. The essence of this requirement is providing information to the Commission, and SBC serves this goal through this filing. By contrast, strict application of the electronic filing requirement under these circumstances would "frustrate" the "underlying purpose of the [notification] rule(s)." Second, because ULS will not accept electronic notifications of consummation for these applications, SBC "has no reasonable alternative" means to comply with the requirement that it notify the Commission of the consummation of the merger within 30 days. The public interest would be served by permitting SBC to update the Commission's records in a timely fashion through the only means reasonably available. Accordingly, this waiver request should be granted.

Other Notifications

In addition, by acquiring Ameritech, SBC obtained noncontrolling, minority interests in a variety of partnerships that hold FCC wireless authorizations: Youngstown-Warren MSA Limited Partnership, Cellular North Michigan Network General Partnership, Michigan RSA #9 Limited Partnership, Century Cellunet of Southern Michigan Cellular Limited Partnership, Century Cellunet of Michigan RSA #6 Cellular Limited Partnership, Century Cellunet of Saginaw MSA Limited Partnership, Cellular Mobile Systems of Michigan RSA No. 7 Limited Partnership, Toledo MSA Limited

¹³ A Form 159 and a check for \$3,105.00 (23 notifications times \$135 fee per waiver request) are attached.

Partnership, and Thumb Cellular Limited Partnership. SBC is filing notifications of these pro forma transfers of control on FCC Forms 603 today.

Through its acquisition of Ameritech, SBC also has become affiliated, as that term is defined in section 63.09(e) of the Commission's Rules,¹⁵ with various foreign carriers. SBC is concurrently filing a separate notification of foreign affiliation pursuant to Section 63.11(b) of the Commission's Rules.¹⁶
